Heritage Village Sections

Heritage Village was developed to preserve the naturalness of the land as much as possible, and it does not follow a neat grid. The Village can be divided into five general sections:

Village Center consists of most of the major facilities located on or off Heritage Way beginning at Hill House Road and extending through the upper parking area at the Activities Building.

Middle Village, the most populous section, surrounds the Village Center. It includes Condos 1, 2, 3, 4, 5, 6, 11A–11B, 14, 15A–15B, 16, 17, and 24.

Village South, off East Hill Road, is located in Krueger Woods and includes Condos 7, 8, 9, and 10.

Village West, the Hilltop area, is off East Hill Road. It includes Condos 18, 19, 20, 21, 22, and 23.

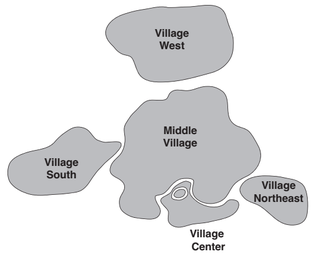

Village Northeast is off North Poverty Road. It includes Condos 12 and 13.

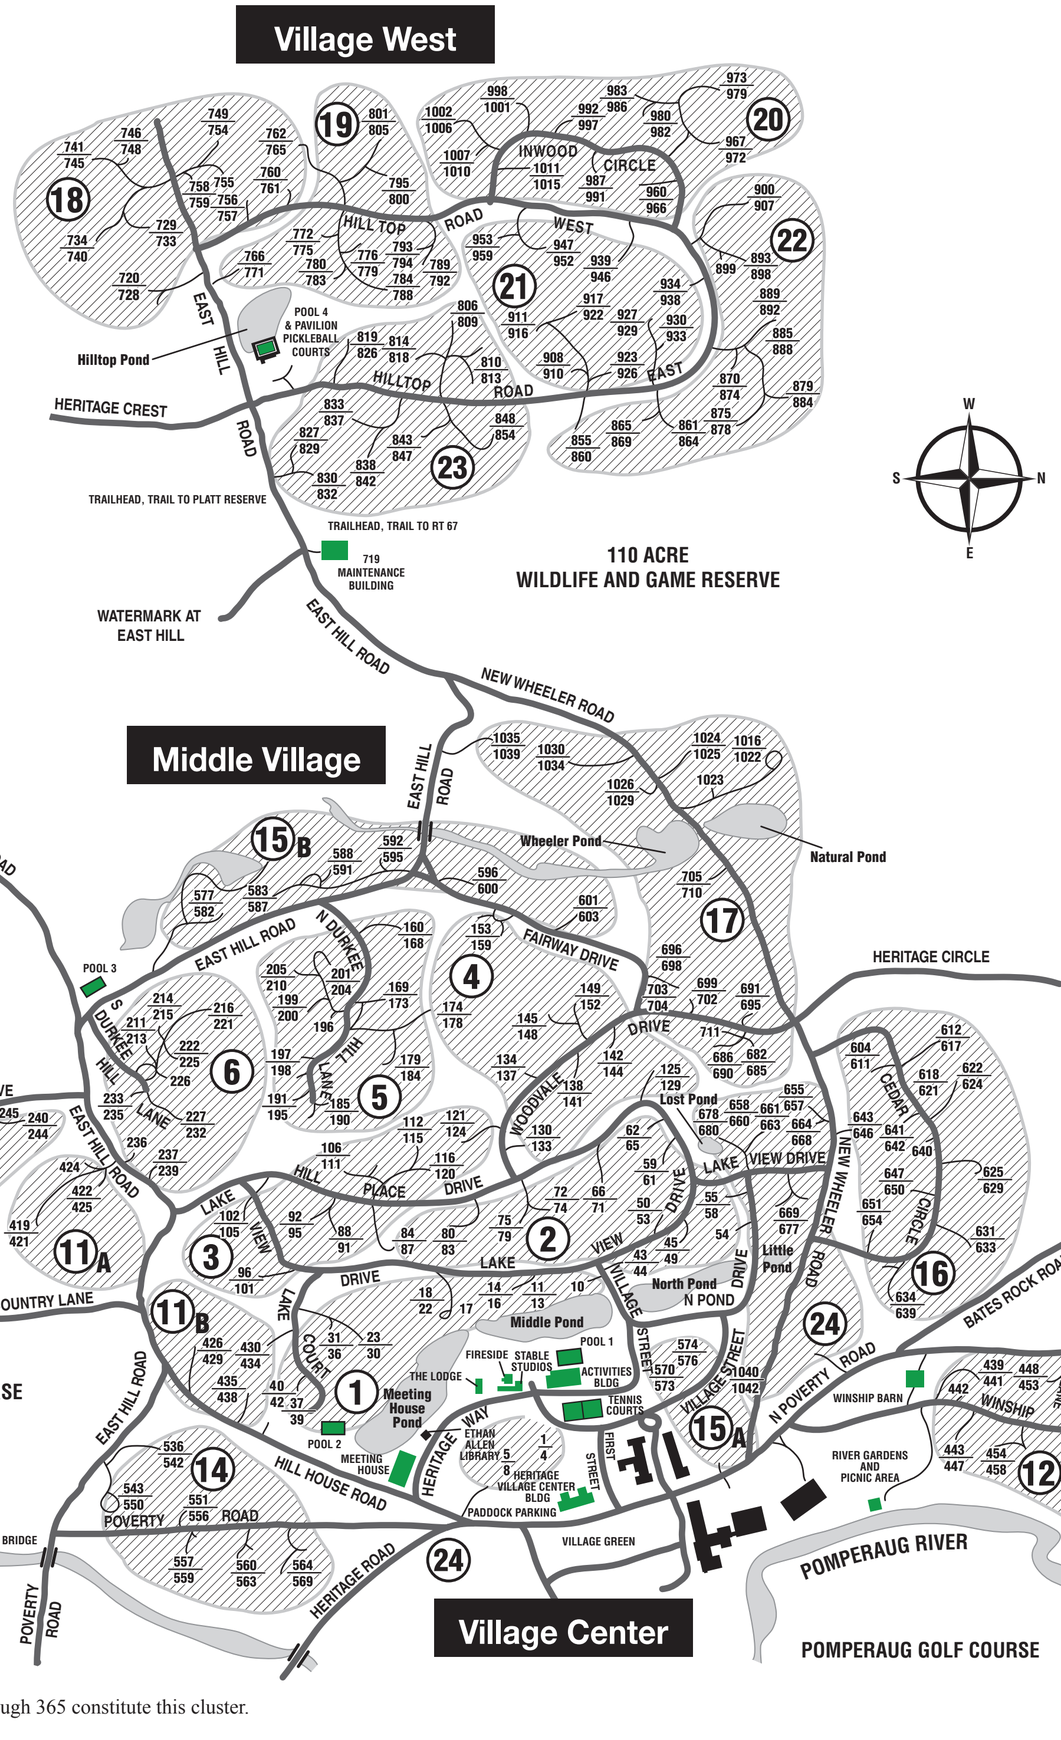

Dimensions, proportions, positions, scale, and shapes are fairly representative, but not exact.
